

I would like to voice my opposition to the broadcast service known as LPFM. On a daily basis I listen to a local Contemporary Christian Radio Station by the name of K-LOVE. As I understand it, if the LPFM stations are expanded, this will take priority over current FM translator service. This in effect would force FM stations off the air. I AM OPPOSED TO THIS BEING APPROVED. DO NOT, I REPEAT, DO NOT APPROVE THESE LPFM STATIONS!!!!!!! Thank you for your attention to this matter.
